August 2013

Dear Nordstrom Supplier,

In anticipation of Nordstrom opening its first full line store in Canada in Fall 2014, we have launched www.nordstromsuppliercanada.com.

Please visit this site to get information on the following:

- Vendor Setup and Accounts Payable information
- EDI specifications for Canada
- Routing to stores in Canada
- Canada specific Compliance and Floor Ready information
- Canadian store addresses
- Nordstrom contact information

The navigation remains similar to our US site, www.nordstromsupplier.com, however the information is different. **Make sure you are consulting the appropriate website when shipping to the US or Canada.**

Thank you,
Nordstrom Inc.
